

# Colwyn Bay to Penrhyn Bay

## The Route...

 3.3mile  1 hour 15 min  Pavement

**01** Colwyn Bay - Exit the railway station and turn immediately left and head down towards the railway bridge. Keep left under the bridge you should see the short Colwyn Bay pier directly in front. Turn left and follow the promenade until you reach Rhos on Sea, this will take approx. 25 mins.

**02** The long seafront walkway from Colwyn Bay takes in Rhos on Sea's breakwater, where a little harbour has an atmosphere reminiscent of a West Wales coastal Village.

Little Orme, Penrhyn Bay - 2 hours walk around the headland.

**03** Carry on along the promenade passing the St Trillos Chapel, Rhos on Sea Golf Club and you will arrive at the Little Orme, Penrhyn Bay, from here you can enjoy a lovely coastal walk around the headland of the Little Orme.

**04** The area is not as popular as its bigger brother Great Orme, but is still a very worthy walk in its own right. You will climb to a height of 141 metres (463 ft) with wonderful views over Penrhyn Bay and the surrounding area. On the headland you will find limestone grassland and exposed limestone cliffs formed over 320 million years ago.
