

Pensarn to Abergele walk

The Route...

This circular walk takes you along the coast to Llanddulas before returning through the countryside and woodland to the south of the town

- 01** The walk starts on the seafront in the town next to the train station. From here you can pick up the North Wales Path and follow it west along the coast to Llanddulas. Along the way there are fine views over the Abergele Roads to Rhyl with the Clwydian Hills making a splendid backdrop.
- 02** In Llanddulas the route turns south along the River Dulas before following country lanes to Rhyd-y-Foel.

 2 miles  20 min  Tarmac*

- 03** Another country lane takes you east back into Abergele. This section passes Gwrych Castle (ITV's I'm a Celebrity was filmed in 2020/21), a striking Grade I listed 19th-century country house. You can visit the castle which is now open daily for visitors to explore and enjoy the 250 acres of historic gardens and parkland. After passing below the castle the route skirts the edge of Gopa Wood before returning to the town.
- 04** To extend your walking in the area you could continue west along the coast path to Colwyn Bay. Heading east will take you to Rhyl where you could try our Rhuddlan To Rhyl Walk which takes along the River Clwyd.
